

## **Changes in the Hungarian electronic toll system in 2019 as of 3.2.2019**

*Hungary (January 21, 2019)*

The National Toll Payment Services Plc. (NTPS Plc.) has launched a development programme within the HU-GO system enabling toll payment for heavy-duty vehicles with a maximum authorised mass over 3.5 tonnes to identify incorrect environmental categories, and thereby improve control and modernise toll collection.

The new system will be effective as of **3 February 2019**.

For more information, please see attached in English, French and German.
