

Night closure of the Arlberg Road Tunnel

Austria (April 19, 2016)

Due to road works, the Arlberg Road Tunnel on the S 16 Arlberg expressway between Tyrol and Vorarlberg will be closed at night between 20:00 and 5:00 to all traffic in both directions from 25 April to 31 October 2016.

As an alternative route, vehicles will have to take the Arlberg Pass Road (B 197/L 197). The night driving ban for trucks on the B 197/L 197 Arlberg Pass road will therefore be suspended (between 20:00 and 5:00 only) for the whole duration of the tunnel closure.
