

Temporary restrictions on the Russian Federations roads – Summer 2019

Russian Federation (May 23, 2019)

In accordance with the order of Rosavtodor of 25.03.2019 #1002 "On the introduction of temporary restrictions on vehicles", **movements will be limited for heavy vehicles (by axles) travelling on federal roads with asphalt from May 20 to August 31 2019 when the daily air temperature is above 32°C**. Movements are allowed from 22.00 to 10.00 for heavy vehicles.

Note that the temporary restriction does not apply to:

- Passenger transportation by buses, including international transports,
- Cargo transportation required to eliminate the consequences of natural disasters or other emergencies,
- Transportation of road construction and road maintenance equipment and materials used during emergency recovery and repair work.

The detailed information can be found on the official website of Rosavtodor (www.rosavtodor.ru), section "Start page/Carriers/Traffic restrictions during the period of unfavorable natural and climatic conditions", as well as at the official Internet portal of legal information, by clicking on the link <http://publication.pravo.gov.ru/docuemnt/view/0001201904160045>.
