

REMINDER Tyrol – Modification of the Euroclass driving ban regulation – A12 Motorway

Austria

The Tyrolean state government modified the Euroclass driving ban regulation on A12 Motorway. This amendment will gradually aggravate the existing driving ban for certain Euroclasses.

Driving on A 12 between Langkampfen - Zirl is only permitted:

- from **October 31, 2019**, driving on the A 12 between Langkampfen - Zirl for vehicles with Euro 5, 6
- from the **1st of January 2021** it is only possible to drive on the A 12 between Langkampfen - Zirl for vehicles with Euro 6

More information available in the document attached (in German).
