

Maintenance activities at the Mont Blanc tunnel - February 2020

France - Italy

The GEIE of the Mont Blanc Tunnel informs you that, in order to allow maintenance works to be carried out, the traffic in the tunnel will be completely interrupted during the following night:

- on Monday 10th February 2020, from 10.00 p.m. to 6.00 a.m.

Furthermore, in order to carry out the maintenance works in the tunnel, alternate one-way traffic will be adopted on week days, from 10.30 p.m. to 6.00 a.m., during weeks 6, 7, 8 and 9.

For more information, please see attached in English, French and Italian.
